RE: Laiva Gold Mine Mineral Resource Statement, effective date 1st November 2013

I, John Arthur, do hereby certify that:

1. I reside at 19 Cardiff Road, Dinas Powys, Vale of Glamorgan, UK.
2. I graduated from Newcastle University with a second class Honours degree in geology in 1987 and achieved my Doctorate in Mining Geology and Mineral Resource estimation from Cardiff University, UK in 1994. I have continually practiced my profession since that time.
3. I am a Professional Geoscientist registered with the Geological Society of London as a Fellow (FGS) and have achieved chartered status as a CGeol (membership number 1005744);
4. I am a Professional Engineer registered with the Institution of Materials, Mining and Metallurgy as a Member and have achieved chartered status as a CEng (membership number 50132);
5. I am a Principal Consultant of SRK Consulting UK Ltd, which is an independent consulting firm. The company's head office is located at 17 Churchill Way, Cardiff, Wales, UK.
6. I have 19 years of experience working in the mineral exploration and mining industry.
7. I am a 'Competent Person' as defined by the Joint Ore Reserves Committee of Australia (JORC).
8. I have visited the Laiva operation in September 2013.
9. I have no personal knowledge, as of the date of this Certificate, of any material fact or change, which is not reflected in this Report, the omission to disclose that would make this report misleading.
10. Neither I, nor any affiliated entity of mine, is at present, or under an agreement, arrangement or understanding expects to become, an insider, associate, affiliated entity or employee of Nordic Mines and / or any associated or affiliated entities.
11. Neither I, nor any affiliated persons or entity of mine, own, directly or indirectly, nor expect to receive, any interest in the properties or securities of Nordic Mines or any associated or affiliated companies.
12. I consent to the filing of this Statement with the relevant securities commission, stock exchange and other regulatory authorities as may be demanded, including general publication in hardcopy and electronic formats to shareholders and to the public.

Dr. John Arthur

Dated this 26th day of November, 2013.

Competent Persons Statement

The information in this announcement relating to the Mineral Resource Statement and exploration results is based on information compiled by the issuer and reviewed by Dr John Arthur of SRK Consulting (UK) Ltd who is a Chartered Engineer (CEng, Member of the Institute of Materials, Minerals and Mining) and Chartered Geologist (CGeol, Fellow of the Geological Society of London). Dr Arthur has sufficient relevant experience in the style of mineralisation and type of deposit under consideration to qualify as a Competent Person as defined in the 2012 Edition of the 'Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves'. Dr Arthur consents to the form, presentation and context of resources, results and supporting information in this report.
